4. The Department of Highways and Traffic offers no objection to the granting of this special exception requested in the subject appeal.
5. No objection to the granting of this appeal was registered at the public hearing.

OPINION:

We are of the opinion that the establishment of this parking facility will not create any dangerous or otherwise objectionable traffic conditions, that the present character and future development of the neighborhood will not be adversely affected, and that the lot is reasonably necessary and convenient to other uses in the vicinity. However, the Certificate of Occupancy shall not issue until the conditions hereinafter set forth in this Order are complied with.
